

9th Annual LA March for Life

Walk with us to

Embrace Life!

Please join us as we walk on Ventura Boulevard in support of choosing life. Life is God's blessing therefore it is sacred and should be embraced by all.

Our invigorating walk will be 2 miles and is part of a "Celebration of Life" that starts with entertainment and nationally renowned pro-life speakers at St. Cyril's. We then stroll up and down Ventura Boulevard and return to St. Cyril's for a closing ceremony.

Any donation is appreciated, we thank you in advance for your generosity. Funds raised will be used to help the Pregnancy Counseling Centers and other pro-life activities.

Registration is available online at www.lamarchforlife.org, or at your church during upcoming registration drives hosted by the Knights of Columbus. You can also register on Saturday, March 17th when you come to join us.

The 9th Annual LA March for Life is inclusive to all faiths. Anyone who believes that life is precious and supports saving the lives of innocent children taken by abortion is welcome to participate.
